

# Beaufort West Morkels Family Line

By Margaret Thebus and André T. Morkel  
September 2011

*This has been a team effort. Margaret Thebus and her mother Margaret Lodewyk provided the bulk of the family line. More information came from Juna Malherbe of the Huguenot Museum and Gregory Morkel of Beaufort West. I tried to link the family line to the Morkel Genealogy. A.T.M.*

**We welcome corrections and comments. Please use the “Contact us” facility.**

Our story is about a branch of the Morkel family, which includes Reverend I.D. Morkel (see our separate story), Gerald Morkel, former Mayor of Cape Town and Premier of the Western Cape (see Appendix 2), and his sons Garth, Craig and Kent, active in politics. Barry Morkel is Director of Policy Research, Monitoring and Evaluation for the North West Province. Frances Morkel married Dr. Richard Van Der Ross, Rector of the University of the Western Cape. They were originally from Beaufort West in the Great Karoo but most are now found at the Cape, Canada and Australia.

This mixed-race branch is not in the Morkel Genealogy compiled by Franklin Boonzaaier for P.W. Morkel (1) nor in the Genealogy of the GISA (5) and it is unclear where they fit in the family. Using several sources we were able to develop a plausible family line, even though full documentation is not available.

Using her knowledge of the family, co-author Margaret Thebus constructed a family line from the present back to Gert Thomas Morkel 1857 – 1933. The dates are from his gravestone (2). His death notice (4, Appendix) shows that his parents were Hercules MORKEL and Flora SIMON. GISA (5) lists Herklaas Morkel and Flora Simon as *ongekoppeldes* (unattached – i.e. not linked to other Morkels in the Genealogy) who baptized four girls in 1856 in Beaufort West.

Our challenge was to link this Hercules (Herklaas) Morkel to the Morkel Genealogies (1,5). With children baptized and born in the mid-1850s, it is likely that Hercules was born around 1820 to 1830. Our search in the Morkel Genealogies yielded two candidates, both grandsons of 3<sup>rd</sup> generation c7 Hercules Morkel and Helena Munnik:

e1 **Hercules Morkel \*22.2.1821 ~15.4.1821**, son of d3 Willem Morkel of *Brakfontein*, Caledon and Jacoba Elizabeth Dreyer  
and his cousin

e1 **Hercules Adriaan Morkel \*1823**, Stellenbosch †14.9.1871 x Charlotte Amelia Londt. He was the son of d5 Gerhardus Morkel x Johanna Frederika Brand

There are no further details about Hercules Morkel born in 1821, but he would be the most plausible candidate for our search. We discarded him initially because GISA (5, p682) has him dying in infancy, on 15.4.1821. However, according to P.W. Morkel's Genealogy, that is his baptism date. It is likely that GISA used the wrong symbol and that he lived to adulthood. The second Hercules, born 1823, was married and unless we assume bigamy we can discard him. He farmed at Nelspoort (a railway siding about 50 kilometres north of Beaufort West) and was Field Cornet for Beaufort West. We thus had two cousins called Hercules living in the Beaufort West district at the same time.

We are now able to construct the family line for the Beaufort West Morkels. The only assumption we make is that Hercules Morkel married to Flora Simon was the son of Willem Morkel and Jacoba Dreyer of *Brakfontein*, Caledon. We leave it to future researchers to show us right or wrong. Incidentally, c7 Hercules Morkel inherited *Brakfontein* from his father, 2<sup>nd</sup> generation b3 Willem Morkel. This Hercules farmed on *Welgelegen* in Hottentots Holland and passed on *Brakfontein* to his oldest son d3 Willem Morkel.
